GENERAL SECRETARIAT.

No. G. 8968—*G. M.* 105-29-7, *dated* 20*th January* 1930.

Saturday the 5th April 1930 is declared a General Holiday for all Government Offices, educational and other public institutions in the Chitaldrug District on account of the elections of members to the District Board.

No. G. 8854—*Sany.* 88-29-12, *dated* 29*th January* 1930.

The following temporary regulations issued by the Government of the United Provinces about the Medical Inspection of Railway passengers in the United Provinces on the occasion of the Kumbh Mela at Allahabad in the months of January and February 1930, are hereby published for general information :

Notification No. 831—*XVI*-298, *Public Health Department, dated, Allahabad,* 8*th November* 1929.

Whereas the Governor of the United Provinces of Agra and Oudh acting with his Ministers is satisfied that the United Provinces is threatened with the spread of cholera in the Province owing to the great influx of pilgrims from all over India to attend the bathing festivals at Allahabad in connection with the 12, yearly Kumbh Mela, which will fall in the months of January-February 1930 and thereafter due to the dispersal of pilgrims from the Mela and that ordinary provisions of the law for the time being in force are insufficient to prevent the spread of the disease, he has been pleased to make the following temporary regulations under section 2A of the Epidemic Diseases Act (III of 1897) as amened by Act

No. XXXVIII of 1920, for the Medical Inspection of Railway passengers and of segregation of those suffering from, or suspected to be suffering from Cholera and it is hereby ordered that the various regulations shall remain in force for the periods indicated therein.

659

THE REGULATIONS.

(1) Travelling Dispensaries and Medical Officers shall be posted at Saharanpur and Ghaziabad Stations on the North-Western Railway; Muttra, Jhansi and Manikpur Stations on the Great Indian Peninsula Railway; Moghal Sarai Station on the East Indian, Railway and Bhatni, Gorakhpur and Ballia Stations on the Bengal and North-Western Railway between December 15, 1929 and April 15, 1930.

(2) Medical Officers will be posted also at Cawnpore, Ajodhya, Fyzabad, Partabgarph, Shahganj, Jaunpur, Janghai, Kasi and Bindhachal Stations on the East Indian Railway, Karwi Station on the Great Indian Peninsula Railway; Benares City, Mau Junction, Aunihar and Chilh Stations on the Bengal and North Western Railway and the Benares Cantonment Junction Station on both East Indian and the Bengal and the North Western Railways between January 1st 1930 and February 23rd 1930.

(3) Medical Officers will also be posted at Allahabad Junction, Prayag, Prayag Ghat, Tribeni Ghat, Naini Junction and Phaphamau Stations on the East Indian Railway and Allahabad City, Izat Bridge and Jhusi stations on the Bengal and North Western Railway in Allahabad between January 1 and February 28th 1930.

(4) (*a*) For the period travelling dispensaries or Medical Officers are posted at the Railway Stations mentioned in Regulations Nos. 1 and 2, the Medical Officer shall pass through the trains looking for obvious signs of cholera and shall isolate cases found in huts erected near the stations concerned or have them sent to an infectious diseases Hospital if there is one.

(*b*) The Medical Officers posted at the Stations mentioned in Regulation No. 3 shall examine all detraining passengers. They will detain all persons whom they find to be suffering or suspect to be suffering from an infectiouss disease and shall have have them removed to those segregation huts erected at those stations or to the infectious diseases hospitals.

(5) The Medical Officer shall inform the station master if he has found any case of the infectious disease and indicate the carriage in which the case was found, in order that the latter may carry out the provisions of the Railway Act and side-track the carriage or carriages for the purpose of disinfection.

(6) For the Medical Inspection of outgoing pilgrims, Medical Officers will be posted at the stations in Allahabad mentioned in Regulation No. (3) between January 10, 1930, and February 28, 1930, and they will examine the passengers at the entrance to the pens which will be constructed specially for the purpose. The Medical Officers will detain all persons whom they find to be suffering from or suspect to be suffering from an infectious disease and shall have them removed to the isolation huts erected at the station or to the infectious Diseases Hospital at Allahabad.

(7) Between January 10, 1930, and February 28, 1930, travelling Medical Inspectors will be attached to all pilgrims special and slow passenger trains going from and to the stations on the Railways mentioned below. The Inspectors will examine all passengers detraining at any station *en-route* and shall detain any person whom they find to be suffering from or suspect to be suffering from cholera and shall take such person or persons to the next station where there is a segregation Hospital, if there is none at the station where the case is detected and shall inform the Station Master of the Station where the carriage can be side-tracked for disinfection by the Railway authorities concerned.
